Not much is known about the two brothers that were said to have disappeared either in New York City or on their way up North in 1927, except that they were contract killers with kind hearts that helped the poor. After an extensive two (2) year family history search, speaking with several older relatives, the author was inspired to write 'The River'. Slick and Benjamin (Skeeter) are half brothers, one white, the

Now grown men in the Roaring 1920's, the brothers work as contract killers for the highest bidder, often the first option for wealthy white men, the last option for the poor. Always with ears to the the underworld, the boys soon learn of white and black lynchings, bullying, land grabbing and resource stealing by big corporation. This only deepens the men's suspicions as well as the mystery of whom or what owns vast amounts of land all around the Carolinas, land certain well heeled men are willing to kill whole families for. Will the church accept statistical evidence or alter the way it trains its clergy? How has it come to grips with reforming or retraining abusers? Has it acknowledged the spread of AIDS among its ranks? Why does the church oppress women and react with hostility and fear towards them? *A leader of a global superpower is betrayed by his mistress, who makes public the sordid details of their secret affair. His wife stands by as he denies the charges. Debates over definitions of moral leadership ensue. Sound familiar? If you guessed Clinton and Lewinsky, try again. This incident involved former Japanese prime minister Sosuke Uno and a geisha. In *Secrets, Sex, and Spectacle*, Mark D. West organizes the seemingly random worlds of Japanese and American scandal—from corporate fraud to baseball cheaters, political corruption to celebrity sexcapades—to explore well-ingrained similarities and contrasts in law and society. In *Japan and the United States*, legal and*

organizational rules tell us what kind of behavior is considered scandalous. When Japanese and American scandal stories differ, those rules—rules that define what’s public and what’s private, rules that protect injuries to dignity and honor, and rules about sex, to name a few—often help explain the differences. In the cases of Clinton and Uno, the rules help explain why the media didn’t cover Uno’s affair, why Uno’s wife apologized on her husband’s behalf, and why Uno—and not Clinton—resigned. Secrets, Sex, and Spectacle offers a novel approach to viewing the phenomenon of scandal—one that will be applauded by anyone who has obsessed over (or ridiculed) these public episodes.

This book carries evidence of the plight and exploitation of floating sex workers in Dhaka, Bangladesh. The book contains an in-depth account of injustices that these workers experience due to lacking agency, and it instigates the debate whether prostitution is a form of work or exploitation. It examines the effectiveness of various socio-economic development programs that improve the socio-economic status of these floating sex workers, carried out by both national and international development actors. Additionally, the book looks at policy implications towards ensuring floating sex workers' entitlements, capabilities, and human rights. (Series: Spectrum. Berliner Series to Society, Economy

Women's filmmaking in France has been a source of both delight and despair. On the one hand, the numbers are impressive – over 250 feature-length films were made by over 100 women directors in France in the 1980s and 1990s. On the other hand, despite the heritage of French feminism, French women directors characteristically disclaim their gender as a significant factor in their

filmmaking. This incisive study provides an informative, critical guide to this major body of work, exploring the boundaries between personal films (intimate psychological dramas relating to key stages in life) and genre films (which demonstrate women's ability to appropriate and rework popular genres). It analyzes the effects of postfeminism, women's desire to enter the mainstream, and the impact of a new generation of filmmakers, enabling readers to take stock of the wealth and diversity of women's contribution to French cinema during the 1980s and 1990s. Bar owner Jake Johnson loves women—until he kicks them out of his bed. Hardened by devastating loss, the only thing he lets warm his heart

Tamryn Baker wants Jake as much as she wants to run her own business; too bad he can't see past the pain-in-the-ass little girl she was, or the promise he made to her older brother to look after her. Jake's a whiskey burn on a cold winter's night, but Tamryn wants more than heat between the sheets. Tamryn's always felt like home, but Jake knows crossing the line with her wouldn't be safe, regardless of the explosive chemistry building between them. If they give in, their broken hearts will either fit together perfectly—or their pasts will shred them both.
